

EE/CPE 424

Spring 2003

WEEKLY STATUS REPORT

Group: **12** Date: **April 8, 2003** Report No.: **12**

Project Title: **Redesign of the Stevens Campus Network**

Group Leader: **Grace Shabo** Advisor: **Prof. Sumit Ghosh**

Sponsor / Client: **none officially, but design is for the Stevens network**

Number of hours spent by group on project in the past week: **12 hours**

Project on Schedule: **YES**

Weekly status:

This week we wrote a script to create a sample userlist and install those users on our test systems. We determined the number of users based on the information we obtained by the IT department. We also determined the "performance index" we talked about in our interim report for a couple of systems. We will be starting some of the simulation this week.
