Weekly Status:

- We uploaded two images onto the phone, and everything seems to be going in pace. We have also got the midi player working also.
- For this week we plan to see if we can ping using our phone so maybe we can start setting up a server.
- We have realized we will start writing codes for other programs so we can start expanding our ideas.
- Our group website will be coming up online soon, as soon as we can figure out how to ftp the files.
- Prof. Yao wants us to start creating a poster, so we have started working on that
- We are also finishing up our SEED model for the economics portion of the code.
