**WEEKLY STATUS REPORT**

Group No. ???

Date: 9/22/02

Report No. 1

Project Title: Voice over IP at Stevens

Group Leader: David Musgrave

Advisor: Hong Man

Sponsor: none

Number of Hours Spent on Project by Group in Past Week: 10 man hours

Project on Schedule: Yes

Weekly Status:

We basically went over our basic forms this past week and are working towards obtaining a copy of the current network setup for campus. Once we have this we are going to detail 4 different approaches to the campus network that would allow us to use “Voice over IP” at Stevens. From these plans we will research the economics and feasibility and come up with two choices based on these criteria.
