Number of Hours Spent on Project by Group in Past Week: 40 man hours

Project on Schedule: Yes

Weekly Status:

Over the past week and spring break we have spent a good amount of time getting the interim project report done. With that out of the way we are set to push forward trying to get a gateway router to facilitate Phases 3 and 4. Testing also continues to verify phase 2 on different subnets trying to find one that might not allow easy connectivity to the call manager.
