

**EE/CpE 423-424**  
**2002 Fall – 2003 Spring**  
**WEEKLY STATUS REPORT**

Group No. 8

Date: 3/23/03

Report No. 21

Project Title: Voice over IP at Stevens

Group Leader: David Musgrave

Advisor: Hong Man

Sponsor: none

Number of Hours Spent on Project by Group in Past Week: 40 man hours

Project on Schedule: Yes

Weekly Status:

We have been making progress over the past week to develop a call route plan for routing calls to an external gateway. Right now the possibility of obtaining a gateway router is still up in the air, but we are creating the route plan assuming that we will be able to obtain one. Although we have largely discredited the possibility of being able to use a normal computer as a gateway, we are looking into it this coming week as an absolute last ditch option.
