

EE/CpE 415/423 – 416/424
2001 Fall – 2002 Spring
WEEKLY STATUS REPORT

Group No. : 9

Date: 01/20/03

Report No. : 13

Project Title: Missile Course Deviation

Group Leader: Zhanna Lasun

Advisor: Professor Sumit Ghosh

Sponsor/Client: _____

Number of Hours Spent on Project by Group in Past Week: 2

Project on Schedule: Yes

Since this has been only two days of classes this week and most of us were not here, we did not meet as a group. We are planning on starting meeting next week as soon as our class schedules are finalized. I am also arranging the time for the meetings with the professor Ghosh.

More on the progress update will be gone over in next week's report.

I have also been working on improving the group website to make sure it works well with Netscape.
