

EE/CpE 415/423 – 416/424
2001 Fall – 2002 Spring
WEEKLY STATUS REPORT

Group No. : 9

Date: 02/24/03

Report No. : 18

Project Title: Missile Course Deviation

Group Leader: Zhanna Lasun

Advisor: Professor Sumit Ghosh

Sponsor/Client: _____

Number of Hours Spent on Project by Group in Past Week: 30

Project on Schedule: Yes

This past week Luis and Ana worked on the HMP generator. The design plan is finished and the parts have been collected. We are using pieces from a microwave oven to create the desired frequency to be simulated. Zhanna and Maile worked on learning the features of the 3DS Max studio for the animation.
