Sponsor/Client: _____

Number of Hours Spent on Project by Group in Past Week: 20

Project on Schedule: Yes

The group met for a group meeting on Thursday. We have also met with our faculty advisor. The group is still in the stage of involved research about the project topic. To get more accurate information on the topic we seek to contact the Ballistic Missile Defense Information Resource Center. We are trying to sign up for a newsletter from the Center.

We are still looking for a sponsoring company.

The group is planning on moving out of the research state in two weeks.

Next advisor meeting is scheduled for Thursday, October 3rd.
