

EE/CpE 415/423 – 416/424
2001 Fall – 2002 Spring
WEEKLY STATUS REPORT

Group No. : 9

Date: 11/25/02

Report No. : 10

Project Title: Missile Course Deviation

Group Leader: Zhanna Lasun

Advisor: Professor Sumit Ghosh

Sponsor/Client: _____

Number of Hours Spent on Project by Group in Past Week: 20

Project on Schedule: Yes

Main tasks for the past week were:

- decide what tech info will go into presentation
- come up with the easy to read diagrams for presentation
- gather all data not obtained before

We are meeting this week to make the presentation report.

Testing of the EMP model is pushed to the winter break time.

Website is constantly updated. The presentation will be uploaded this week when we done.
