Weekly status:
<p>This past week, we have successful had our initial meeting the physical therapist at the Kessler Institute in North Bergen. This meet allowed us to define the scope of the circuitry needed, thus allow the design phase to begin. On October 2,2003 we have a demonstration of the Code Blue Architecture. With the input of the Physical therapist ion Jersey City we have refined the project requirement in terms of the design of the senor and senor requirement.</p>

Weekly report is due to Senior Design Coordinator by Noon Monday
