Sponsor/Client:					
Total number of person-hours spent on project by group during past week:				18	
Is project on schedule?		Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>

Weekly status:
<p>This week, we continued contact with Hal from Thought Technology. We also decided on the sensor components. We also refined our system design. We opted to bypass the DAQ and just use a laptop to do the computing. In addition, we decided to monitor a bicep instead of the knee. This week, we are continuing to draw out the specification and determine a components list for our product.</p>

Weekly report is due to Senior Design Coordinator by Noon Monday
