Weekly status:
<p>In our first official senior d meeting, the group reviewed the final project report that Brian & Mike had worked on in Design 6 last spring. We perused through previous Senior D reports by groups interested in fingerprinting to gain a grasp of how we should approach the next stage in our project.</p> <p>Other items of interest:</p> <ul style="list-style-type: none"> -possible sponsors were brainstormed, including Blackboard (the company that makes the ID scanners for the Stevens campus) -how we should handle challenges including interfacing the scanner with the Thumb-Thing unit & server. -how to utilize TCP/IP <p>Our plan for next week is to properly mold last semester's proposal into this semester's proposal. Specifically, updating things we weren't sure about last semester, do some more researching, etc.</p>
