Weekly status:
<p>This week, Brian, Mike, and Yohanna put a bulk of their work into the Admin Console to be displayed on the laptop on Senior Design Day. In addition to testing/debugging the Admin Console, the admin/client team also continued testing/debugging/improving the client user interface to be displayed on the PDA. On the backend, Joe and Jenn have continued to write queries in the database.</p> <p>In other news, the group also started laying out their Design Day poster and brochure. The group expects to have these ready for printing by this Friday, April 23.</p>

Weekly report is due to Senior Design Coordinator by Noon Monday
