Weekly status:
<p>This week our group met at our scheduled time of 1PM on Tuesday afternoon. We went over our agenda fairly quickly and have added a few things that we would like to accomplish in the next week.</p> <p>We have decided to meet up with the administration of the school, or whoever is in charge of possibly funding us to implement our idea into the Stevens post office. The only obstacle that may hinder us is that the post office is not part of Stevens and the government pays the employees.</p> <p>We also have added to our list of tasks to visit the Stevens post office and see how they feel about our idea and it's implementation. We would also like to take some pictures and measurements inside the post office to aid us in our development.</p>
