## Verizon PC 5740

The Verizon Wireless Audiovox PC5740 EV-DO PC Card provides you with data communication for your laptop anywhere you roam on the Verizon nationwide network at faster speeds in more places than anywhere else. BroadbandAccess compatibility gives you data transmission approaching DSL speeds – up to 2.4 Mbps. Simple to use, the Verizon Wireless Audiovox PC5740 PC Card lets you surf the Internet, send and receive email and text messages, and connect to corporate networks from just about anywhere.
