			M	T	W	T	F	S	S	M	T	W	T	F	S	S	M	T	W	T	F	S	S	M	T	W	T	F	S	S			
1	<b>Conceptual Definition</b>	<b>18 days?</b>																															
2	<b>Behavior</b>	<b>18 days?</b>																															
3	Behavior Definition	14 days?																															
4	Programming Research	14 days?																															
5	Acquisition of Sample	13 days?																															
6	<b>Structure</b>	<b>18 days?</b>																															
7	Structure Definition	14 days?																															
8	Parts Research	11 days?																															
9	Preliminary Parts List	11 days?																															
10																																	
11	<b>Economics (E421) Deliverable</b>	<b>59 days?</b>																															
12	Lab 1	4 days?																															
13	Lab 2	6 days?																															
14	Lab 3	6 days?																															
15	Midterm Presentation	9 days?																															
16	Final Presentation	36 days?																															
17																																	
18	<b>Materials Procurement</b>	<b>38 days?</b>																															
19	Software	33 days?																															
20	Hardware	26 days?																															
21																																	
22	<b>Prototype Assembly</b>	<b>114 days?</b>																															
23	<b>Programming</b>	<b>114 days?</b>																															
24	Initial Coding	74 days?																															
25	Debugging	114 days?																															
26	<b>Construction</b>	<b>94 days?</b>																															
27	Parts Compatibility E	24 days?																															
28	<b>SubSystem Assembl</b>	<b>94 days?</b>																															
29	Chassis	29 days?																															
30	Sensors	74 days?																															
31	Processor Mount	89 days?																															
32	Wiring	94 days?
