<p>Include discussion of what you accomplished this week, who you contacted, what decisions were made, what obstacles were identified, how they are being addressed.</p> <p>The group is just starting up for Design VIII, and we haven't done much work on the project this first week of classes. The major task this week is to set up meeting times for the team and with the project advisor. This is done, and with the first group meeting scheduled for today, we're set to start up progress again.</p>

Weekly report is due to Senior Design Coordinator and TA by Noon Monday. Email submission is greatly preferred - submit using WebCT, email to sd@koala.ece.stevens-tech.edu or individual emails. Copy should be sent to advisor
