**Weekly status:**

The group met three times this week in order to finish up work on the project proposal. Individual research and work contributed to the weekly person-hour total.

The proposal is almost completed at this point. We are in good shape to hand in a proofread and edited copy on Tuesday. We have also submitted a copy for preliminary review to our Advisor.

Work continues with research into the RFID elements we will use in our project.

**Weekly report is due to Senior Design Coordinator and TA by Noon Monday. Email submission is greatly preferred - submit using WebCT, email to sd@koala.ece.stevens-tech.edu or individual emails. Copy should be sent to advisor**
