Weekly status:

The group met several times to finalize our design, as well as to prepare our final project design and presentation. We are completing our final push for the semester to make all design decisions concrete.

Final research and design approaches are being completed simultaneously by all group members:

Chris: RFID Tag standards
 Reid: Server configuration
 Justin: RFID reader setup
 Jeff: Passive logging configuration
 Brian: Active logging configuration

Weekly report is due to Senior Design Coordinator and TA by Noon Monday. Email submission is greatly preferred - submit using WebCT, email to sd@koala.ece.stevens-tech.edu or individual emails. Copy should be sent to advisor
